

TOMORROW IS THE GLAD AND JOYFUL EASTERDAY IN HALLELUJAHS LET US SING "CHRIST, THE LORD IS RISEN TODAY"

In All of the Churches of the City
This Great and Joyful Day Will
Be Religiously and Earnest-
ly Observed—Elaborate
Programs of Services
And Music Have
Been Prepared

Ministers Have Prepared Forceful Sermons Ap-
propriate of The Day—It is Obligatory and
Therefore Particularly Urgent That
All Attend The Church of Their
Choice and Take Part in
This Joyful Festival.

Easter Sunday, the commemoration of the Resurrection of Our Lord Jesus Christ, will be elaborately observed in all of the churches of the city as the following programs will show. Special services have been arranged and the day will be religiously and joyfully observed. The programs of the music to be used in the services, anthems, solos and congregational songs are all appropriate of the glad Easter tide. The various ministers have prepared with a great deal of study and care, forceful sermons for both their morning and evening services which will result in great good to all who listen to them in explaining, interpreting and elucidating the Resurrection, the plan of Salvation, the immortality of the Soul, the Reign of the Holy Spirit, the reunion of the Creator and Creature. It is particularly important that all attend the divine services in the church of their choice on this great and joyful day.

Easter.
In the ecclesiastical sense Easter is the festival of the Resurrection of Our Lord, and when so observed should be a joyful feast.

The term is derived from the Saxon "Ostara, or Eastre (German Ostern), the Goddess of Spring." Primarily it had reference to the Jewish Pascha, or Passover, and was the feast of the Crucifixion. Later it was observed in the second century as the feast of both the Crucifixion and Resurrection. The term appears only once in the King James version of the Bible—Acts 12:4, where it should be translated, "Passover," as in the revised edition.

Formerly there was much difference in practice as to the time of its observance until the Council of Nice, A. D. 325, decreed a uniform date of observance. The time fixed is the Sunday after the first full moon after March 21. It cannot occur earlier than March 22, or later than April 25.

The key of its observance is 1 Cor 15:20, "Now Christ is Risen from the Dead." If we observe it at all it should be a religious observance—and as it is in the time of spring when all nature is springing into new life it is a good time to emphasize the great doctrine of the Resurrection. There are three resurrection suggestions:

- 1—The Resurrection of Our Lord, with all its glory and power.
- 2—The Resurrection of believers in a new glorified body.
- 3—Spiritual Resurrection of new life in the church and in the hearts of the saved.

Commercialism has diverted the mind of the masses from the true import of the day and used it to raise the price of eggs and flowers and to exhibit new "Easter bonnets."

The social world has also abused the sacred feast by making it a time for worldly pleasures.

Let us either abandon this day or properly observe it.
